## *Tonight's Entertainment* • BLUE LIGHT SPECIAL •

Blue Light Special plays the muddy sound of the Mississippi Delta, the big-shouldered roar of Chicago and the chicken fried twang of Texas. They play the music of Willie Dixon, Howlin' Wolf, Stevie Ray and Etta James, Muddy and Jr. Wells, along with a few of their own songs.

Check out their website at [www.bluelightspecialblues.com](http://www.bluelightspecialblues.com) for bios of the band, schedule, some sound clips, photos, and contact info. Take a look (and a listen), you'll see and hear their passion for this music. And check back often for updates, upcoming gigs and news.
